

**COME BE A
PART OF IT!**

The Centre of Doom/ Halloween Carnival

October 27, 2018 ~ 6:30 pm- 9:00 pm

We invite YOU, our local businesses and organizations, to take part in this annual event. You are invited to attend and promote your business to Palm Harbor and surrounding communities.

Promote your business at our Halloween carnival by handing out your business cards with candy or trinkets attached.

You can decorate your area for a chance to win free prizes. Please feel free to come in costume.

**There is no charge for vendors
who participate in this trick or treating event.**

This event held at our main facility promises to be another great year with over 1500 community residents enjoying trick or treating, haunted hay rides, and our “Centre of Doom”. Please contact us so we can partner together to make this an amazing event for the community and the perfect business opportunity for you.

At CSA Palm Harbor our goal is to help the community “meet, play, connect”, so join us in bringing the neighborhood together.
