

## JUNIOR COUNSELOR PROGRAM

Our Junior Counselor (JC) program focuses on developing leadership skills in teens age 13-17 through working hand-in-hand with our summer camp administrative team. JCs are an integral part of our programming and assist in all aspects of summer camp program planning and administration. This program is perfect for those seeking Bright Futures hours, too!

The Junior Counselor program is for interested teens that want to take part in our summer activities and be the “helping hands” in a day camp setting. JCs will have various duties in the camp program such as: setting up rooms for the day, preparing crafts, leading games and sports, being an active member of the Camp Adventure Team and much more.

There is no cost to participate in this program; however, interested teens must submit the following information to be considered, as this is a competitive program and spaces are limited. JCs are asked to commit to five (5) of the ten (10) weeks of summer camp. They will be scheduled for four (4) hour shifts.

To get started, complete a “Junior Counselor Program” application, available online, and return it to the indicated address on or before 4/30/19.

Applications consist of:

1. the program application
2. a letter of reference (from a non-family member), and
3. a copy of your latest progress report or report card

Teens selected for the program will complete a series of interviews and training prior to the start of summer.

For an application and more information, please visit [www.PalmHarborCamps.com](http://www.PalmHarborCamps.com).
